

J5: Snip It Off: First Sound

WORD LIST

Present these words to your child in a random order. For example, do not go through the “aid” words all in a row.

A line above a vowel (for example, ā) indicates that it is the “long” vowel sound, which is the same as the vowel’s name.

3-Sound Words	2-Sound Word
maid, paid, fade, wade, raid, jade, shade	ād (aid)
